Newton,

I am aware that per our teleconference, we are expected to submit our compliance reports to USEPA by this Friday, Feb 29. I kindly request consideration for a three day extension to Wed., Mar4 as I have just returned to the office after missing three work days due to illness and am addressing a number of other pending issues in addition to compilation of the ACO report. We are diligently working on assembling the information requested and will attempt to make the Feb 28 deadline; however, due to our limited staff, it will be difficult.

Please respond with your approval/denial of our request.

Sincerely,

Ken
